ANDY HENERY HAS FINALLY OVERCOME FLU COUGH

Has Been A Bothersome Ailment For Months

Friends of Andy Henery will be glad to learn that he has finally been able to rid himself of the bad cough he has been troubled with since having had the influenza.

He has been in a run down condition for sometime and was always in fear of taking a serious cold or some other disease.

In telling a caller about his condition he said: "After using one and one-half bottles of F. W. McNess' Nutritive Tonic I was considerably relieved of the bad cough I was left with after having the flu. I claim that F. W. McNess' Nutritive Tonic is a wonderful remedy for anyone in a run down condition."

People troubled with Dyspepsia, Loss of Appetite, Indigestion, Weakness, Anemia, Thin Blood, General Debility and similar ailments find F. W. McNess' Nutritive Tonic the ideal tonic for these ailments.

Mr. Thomas Emmons, Richmond, Ky., phone 699, who is the McNess Merchant in this district will be glad to send you Nutritive Tonic. Drop him a card or phone him and he'll take care of your order promptly. 1p

BOYS AND GIRLS SOLD IN HONG KONG

(By Associated Press.)
London, Mar. 16—The sale of boys and girls at Hong Kong, has been denounced as "an abominable scandal in a British possession" at a meeting of the Anti-Slavery Aborigines Protection Society here.

St. Luc Strachey editor of the Spectator, wrote that if the facts were as represented, the state of affairs in Hong Kong represented the wildest form of slavery in existence when young people are deliberately sold and subjected to the cruel lust and greed of their purchasers. A resolution was passed declaring that continuance of the system amounted to the continuance of slavery under the British flag.

Charles Roberts, formerly Under Secretary for India and President of the Anti-Slavery Society, said it was an established fact that Chinese boys and girls were sold and bought in Hong Kong at from \$10 to \$15 per year of age.

PANOLA CLIFF

Mrs. Brutus Whitaker and family visited Mrs. Ella Williams Sunday.

Miss Maggie Carr spent Sunday with Mr. and Mrs. Charles Williams.

Mr. Thos. Whitaker and family, who have had the flu, are somewhat improved.

Mr. Price Whitaker spent last Sunday with Mr. and Mrs. Ali Williams.

Mr. Jesse Williams spent Sunday with Mr. and Mrs. Brutus Whitaker.

M. Pendleton Whitaker visited his brother, Mr. Raymond Whitaker, Tuesday night.

Mrs. D. T. Bogie is on the sick list.

Mr. D. T. Bogie has a record-breaking egg. As he gathered his eggs Friday he found one that was eight and one fourth inches long and six and one sixteenth inches around.

This Man Was Helped

John Grab, 2539 Jackson ave., New Orleans, La., writes: "My kidneys were weak and had a soreness and dull pain across my back. I felt dull and languid and my kidneys didn't act right. I began to take Foley Kidney Pills and soon relieved all that trouble and got my kidneys in a healthy condition." Sold everywhere. march

Typhus in Russia Again

(By Associated Press.)
Moscow, Mar. 16—Soviet Russia is once more under the shadow of an epidemic wave of typhus fever and recurrent typhus which has been spreading since November last. The Volga famine area is chiefly affected. In the center of Russia the epidemic has invaded the big towns of the Moscow and Petrograd governmental districts and in the west the cities of Minsk, Smolensk, Witebsk and in the north Vologda.

KY. UTILITIES CO. HAD A BIG YEAR

The Annual Report of the Kentucky Utilities Company, covering the Company's operations for the year 1921, has just been submitted to the stockholders and published by the Directors. This report shows that the Company had a very successful year and that many important extensions and improvements were made which were financed largely by the sale of the Company's Preferred Stock to its customers. During the year 28 miles of additional high tension lines were built, and on December 31, 1921, the Company had in operation 353 miles of such transmission lines. In 1921 the Company added 1838 new electric customers and increased its connected power and light load from 9602KW, of which 7000KW was for coal mining power.

It financed during the year installation of a new 6250KVA generating unit with the necessary condenser, boilers, stokers, auxiliary apparatus and concrete stack at the Pocket plant of the Electric Transmission Company of Virginia. It built a new and commodious superintendent home at the Pocket plant; it electrified its water works and improved the dam and reservoir at Mt. Sterling, Kentucky.

It extended its service to a number of coal mines and cities in western Kentucky. It arranged for the purchase on favorable terms of 4000KW of electrical energy from the new and efficient power plant of the St. Bernard Mining Company and the W. G. Duncan Coal Company, which plants are located in the heart of the west Kentucky coal fields. These plants will be tied together and operated in parallel. By the construction of a 33000 volt line from Graham to Bevier, Kentucky, the Company's plants at Greenville and Central City, Kentucky, were connected to this larger power system, affecting substantial economies in operation and enabling it to take on several coal mines and other power and light customers in the territory surrounding Greenville, Central City and Bevier.

A 22000 volt line was constructed from Fox Run to Dawson Springs, Kentucky, to serve the mines in that territory and the Kentucky Light and Power Company.

A 33000 volt line has been run from Earlington, Kentucky, to the Shamrock and Luton mines near Providence, Kentucky, and this line is now being extended to Providence and Clay. At Clay it will connect with the Clay Light and Ice Company that serves the towns of Clay and Dixon, Kentucky.

The territory traversed by the new lines of the Company abounds with rich coal deposits, and many mines are now in operation. It is believed that the development of this field by the Company will mean another successful operation similar to that attained by it in the southeastern Kentucky coal fields.

The Company has secured additional contracts for 1600KW of coal mining load, which will be rapidly connected to its lines. On December 31, 1921, it had under construction 62 miles of additional power lines.

It has arranged to furnish the

KIDNEY AND BLADDER TROUBLES HAVE TO GO

Longed Up Kidney Deposits Are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Sold to Guarantee It in Every Instance.

"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do not neglect them." Dr. Carey's famous prescription No. 777, known as Marsh-Root, is not recommended for everything, but we cannot too strongly urge its use if you suffer from annoying kidney, liver and bladder troubles. Frequent passing of water at night and day, with smarting or irritation, brick dust sediment or highly colored urine, bloating irritability with loss of flesh, backache, headache, rheumatism or any other tendency to Bright's Disease, Diabetes, or Gravel, for kidney disease in its worst form may be stealing upon you. Don't wait until tomorrow to begin the use of this wonderful prescription now obtainable in both liquid and tablet form, if you have any of the above symptoms. Kidney, Liver and Bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unfeeling certainty.

Never mind the failures of the past if you even suspect that you are subject to these diseases: don't lose a single day for every good druggist has been authorized to return the purchase money on the first bottle to all who state they have received no benefit. NOTE—A generous trial bottle of Marsh-Root, tablet or liquid form can be secured by sending 25c to Dr. Carey Co., Elmira, N. Y. 11

J. W. CROOKE, Cashier

"The Rats Around My Place Were Wise," Says John Tutill

"Tried everything to kill them. Mixed poison with meal, meat, cheese etc. Wouldn't touch it. Tried RAT-SNAP, inside of ten days got rid of all rats." You don't have to mix RAT-SNAP with food. Saves fussing, bother. Break a cake of RAT-SNAP lay it where rats scamper. You will see no more. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Douglas & Simmons and Stockton and Son. mar

be part owners of the property. Receipts from the sales of this Preferred stock will be used to extend and improve the Company's facilities and service.

The report shows that the Company's gross income for the year 1921 was \$2,118,354.46 and its net income, after the payment of operating expenses, taxes and interest charges, was \$368,815.44. The Company had outstanding December 31, 1921, \$850,000 of 6 per cent Preferred stock, \$2,500,000 of Common stock and \$5,604,000 of Funded Debt.

The Company now owns all of the Common and Preferred stock of the Electric Transmission Company of Virginia and Kentucky Light and Power Company; also all of the First Mortgage Lien Six Per Cent Bonds of the Electric Transmission Company of Virginia.

The Company was able during the year to offer its Preferred Stock to its customers on very advantageous terms and it now has 1043 holders of this stock. It is the policy of the Company to continue to offer Preferred stock to its customers, so that besides being customers they may also

BRASSFIELD

Mrs. J. H. Maupin is very ill with flu. Her many friends hope for her speedy recovery.

Mrs. Bessie Wells Barton, of Lexington, spent the week end with her mother, Mrs. Horace Wells.

Misses Opal Broughton and Edna Lane were guests at a dinner party given in Berea Saturday by Miss Lucile Brown in honor of Miss Virginia Telford, of Richmond, Va.

Rev. Byrd filled his regular appointment here at the Baptist church Saturday and Sunday.

Misses Blanche and Anna Maupin were called home from Lexington on account of the illness of their mother.

We were very much surprised to hear of the marriage of Mr. G. W. Whitman and Mrs. Mayme Walton. Their many friends extend heartiest congratulations to the happy couple.

There are 21,876,000 horses in the United States, outnumbering automobiles 4 to 1.

CASCARETS 10¢

For Constipated Bowels—Bilious Liver

The nicest cathartic-laxative to physic your bowels when you have

Headache Biliousness
Colds Indigestion
Dizziness Sour Stomach
is candy-like Cascarets. One or two tonight will empty your bowels completely by morning and you will feel splendid. "They work while you sleep." Cascarets never stir you up or gripe like Salts, Pills, Calomel, or Oil and they cost only ten cents a box. Children love Cascarets, too. If
